

Discover the game and love it for life.

This is your introduction to a fairway of fresh air and freedom. A chance to start a life long love affair with one of the most popular past times in the world.

A chance to play a game with loved ones or friends in some of the most beautiful surroundings.

Some say golf is a good walk spoiled, I say golf is a beautiful walk enhanced.

For £400 you can discover the wonderful game.

Discover the game and love it for life

This program will focus on five areas of improvement

Explore how to contact the ball every time

We will help guide you through exploring how to swing a golf club to make successful contact with the ball every time

Discover the short game

We will guide you through the process of discovering the different types of shots that you need to play to be able to become competent at golf. This will include 'chip' shots, bunker play and 'pitch shots'.

Explore putting

We will guide you through the process of learning how to put, with help on basic technique, distance control and green reading

Discover the golf course

You will be accompanied to the golf course to experience the game of golf.

Understand the rules and etiquette

We will help you gain an understanding of some of the 'do's and don'ts' and some of the basic rules that you will need to know
